## Customer Reviews

The recipes and the layout are excellent. Can't wait to make them. Really interesting and different. I would recommend this book to young mothers with children and teenagers and young adults. Also I am older and I am enjoying reading the book. Going to start making the chocolates but don't know which one to choose as they all seem good. Krystina Castella has so many excellent books out.

Thank you!

Great Book! Lots of fun recipes.

Lots of great recipes!
