# Sweetie Pie's Cookbook: Soulful Southern Recipes, From My Family To Yours

## Synopsis

The beloved owner of the wildly popular Sweetie Pie's restaurant, and star of the OWN reality television show *Welcome to Sweetie Pie's*, shares recipes for her renowned soul food and the lessons she's learned on the path to success. Growing up in Mississippi and St. Louis, Robbie Montgomery, the oldest of nine children, was often responsible for putting meals on the family table. Working side by side with her mother in their St. Louis kitchen, Robbie learned to prepare dozens of classic soul food dishes. Now, at seventy-two, Miss Robbie passes down those traditions for generations of fans to enjoy in *Sweetie Pie's Cookbook*. Robbie takes you into the kitchen to prepare her most favored meals—smothered pork chops, salmon croquettes, baked chicken—and tells you heartfelt and humorous stories, including amazing tales from her life at the restaurant and on the road as a back-up singer. Miss Robbie began her culinary career on the road—in the segregated America of the 1960s, finding welcoming restaurants in small cities and towns was often challenging for African-Americans. When a collapsed lung prematurely ended her singing career, Miss Robbie returned to St. Louis, using her formidable cooking talent to open a soul food restaurant that would make her legend. Through her show and this special cookbook, Miss Robbie hopes to maintain the place of soul food cooking—its recipes, history, and legacy—in American culture for decades to come. *Sweetie Pie's Cookbook* includes 75-100 gorgeous color photos and an Index.

## Customer Reviews

I used this book to make the best Thanksgiving dinner since my mom died over 25 years ago. The

dressing brought back memories of my mom and was absolutely delicious. While my Mac and Cheese is pretty good, the recipe in this book took it to another level. As an appetizer, I made the fried wings and sauce, again very easy to follow recipes that taste wonderful. My next attempt will be the potato salad and the greens for Christmas...I can't wait.

I was so excited and so happy for her these recipes remind me of my grandmother and my mother there's only a few difference in some her recipes and some new ones I never heard of my grandson got excited about the Kool Aid pie so we made that and we enjoyed it it was delicious congratulations miss Robbie may God bless you.

I recieved this book free through goodreads giveaways. This does not influence my review in any way.Part of being a southern woman means cooking good food for family and friends. At least to me it does, which is why I was so thrilled to get this cookbook. I have the ingredients for so many of these recipes already and that makes it even easier to get started with. The recipes are easy to follow and everything in this book screams comfort food to me. This is definitely a great addition to my cookbook collection. I'm even using the Thanksgiving menu in the back of the book to help me plan my Thanksgiving meal.If you like soulful southern foods but aren't sure how to cook dishes like that, then this is the book for you. Also great for beginner chefs.

I love, love this cookbook. I wanted to start cooking as soon as I got it. The price was fantastic. The recipes and the pictures were wonderful. If you want a cookbook with real recipes, I would truly suggest you buy Sweetie Pie's Cookbook. I'm a fan, for sure.

I love my book. I watch her show all of the time. While we were in St Louis ate at her uppercrust restaurant. The food was delicious. I paid 19.99 for the book, but was refunded 2.10 of my money back. I know I'm going to enjoy cooking Miss Robbie's delicious recipes.

Nothing fancy, just good basic recopies. I saw lots I want to try. Some nice old pictures in there too.

I absolutely LOVE my cookbook! I've never been one to like cooking but since I have my Sweetie Pies cookbook, I enjoy trying her recipes. Been to St. Louis 3 times, and ate at Mangrove and Upper Crust.

Finally it is here. Thanks Miss Robbie. I have been waiting for this cookbook. The recipes remind me of my dear Mom's recipes. Some are exactly the same. Easy to follow directions with basic ingredients. Reminds me of home and all the great memories. Soul food at its best. Can't wait to start cooking!
