# In-Fisherman Cooking Freshwater Fish Cookbook

## Synopsis

Lucia Watson - author, James Beard Award Nominee, perennially popular Minneapolis, Minnesota, chef and owner of Lucia's Restaurant - has been that columnist since 1990. Lucia's recipes always are as simple and easy to use as they are delicious. Here she offers more than 50 contemporary approaches to classic recipes, covering the gamut from deep-frying and stir-frying to baking and sauteeing.

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (13 customer reviews)

Best Sellers Rank: #587,343 in Books (See Top 100 in Books) #77 in [Books > Cookbooks, Food & Wine > Cooking by Ingredient > Meat & Game > Game](#) #183 in [Books > Cookbooks, Food & Wine > Cooking by Ingredient > Fish & Seafood](#)

## Customer Reviews

This book's recipes are fabulous, easy to prepare and family friendly as well. The photography and layout are wonderful. When paging through this book you will feel inspired to try every dish. Another aspect of this cookbook that I really like is that most of the ingredients are readily available and even though it has a gourmet "feel" to it, the recipes are easily prepared. Although I've always felt I'm a pretty good cook, I've struggled with confidence in the "fish department". Now that I have this book I feel much more assured of a good outcome. I've also adapted some of the recipes to ocean fish and they work great. In-fisherman and chef watson did a great job with this!

I Have been fishing, catching, cleaning, cooking and eating freshwater fish in Minnesota and Canada for 45 years. This book has turned my family from fish likers to fish lovers. We have tried over half of these recipes and they all receive five star ratings from a family raised on fresh walleye and panfish. It is well written, illustrated and lots of useful extras. From several awesome shorelunch ideas, to soups and creative new entres. The fish chowers and Creole Casserole have changed how we view

perch. Buy this!

I bought this for my 14 year old grandson who loves to fish and cook his own fish. It had helpful tips on cleaning fish in addition to recipes, with beautiful pictures. Many of the recipes were for fish he catches. The day after Christmas I found him sitting in his room reading this cook book.

Lucia Watson both entertains and educates in a wonderfully presented book. I take this book with me on all my fishing trips. She not only tells you how to cook it, but also how to clean it, I highly recommend this book to anyone who eat fish.

This is one of the best cookbooks I have found on the subject. The author is a Cordon Blue Chef who operates her own restaurant in South Minneapolis. She is also an avid outdoors woman who regularly submits recipes for the In-Fisherman magazine and has been featured on the In-Fisherman television series many times. The recipes are simple to prepare and easy to follow. An excellent addition to anyone's library of books dealing with the outdoors.

This is a terrific book that we have been using every week since the book arrived. Delicious recipes that are easy to prepare. Walleye has never tasted so good!

This book has the best photos and recipes. The sauces are amazing. Great for anyone looking for new ways to cook up those walleye.
