The Thanksgiving Cookbook

Synopsis

All You Need to Make Your Thanksgiving Celebration an Unqualified Success! The Thanksgiving Cookbook includes all of the traditional recipes you remember from your childhood, plus regional classics and updated variations on heirloom dishes, covering all kinds of poultry, stuffings, gravies, breads, vegetables, desserts, beverages, and more. All the family favorites you love—like cranberry molds and pumpkin pies—are here, as well as homey new variations, like Sausage, Mincemeat, and Corn Bread Stuffing and Raisin Biscuits with Chutney Butter. In addition to the more than 340 recipes, The Thanksgiving Cookbook contains invaluable advice—from arranging beautiful table settings to what to do with the leftovers. "The Thanksgiving Cookbook, likely to become an American classic, is a worthwhile addition to any cookbook library." *Woman's Day* "Everything that my mother, my grandmother, and probably yours as well ever did to make Thanksgiving dinner a most memorable meal—and much, much more—is captured in the pages of Holly Garrison's marvelous book, *The Thanksgiving Cookbook*." Merle Ellis A detailed chapter on the star of the show—the bird—tells you: How to buy and prepare a turkey: what size to get, thawing and roasting times, stuffing guidelines, serving tips, and proper storage How to carve About alternatives to turkey, like capon, goose, or ham Whether your Thanksgiving feast is for two or twenty, *The Thanksgiving Cookbook* is a must for any cook planning for this once-a-year extravaganza.

Customer Reviews

This book is an excellent reference for holiday cooking. It includes many traditional Thanksgiving favorites; such as, roasted chestnuts, dried cherry and tomato preparations. The author explains how to decorate food. An example is the citrus twist. Holiday wines are described; such as, Chardonnay and others. Exotic Hors D'Oeuvres are described in detail; such as , cheese biscuit, the raw veggie dip and others. Famous soup preparations are fully described; such as, Vichyssoise oyster, pumpkin soup and mushroom consommé. The dessert menu is "to die for" in its variety. This book would be very helpful in planning any holiday meal.

Holly Garrison's book provides over 300 recipes to make your Thanksgiving feast a sure hit. Believe me...it's VERY hard to break from the traditional for this once a year meal, but Holly provides some outstanding regional favorites that may not be your tradition yet, but will be if you just give them a try. Everything you need is here in this massive 352 page book from putting together your shopping list, to preparation both before and the day of your feast, to decorating your table, carving the bird, and great recipes for those leftovers. Written in a way that will appeal to seasoned pros as well as to first-timers with easy to follow tips and recipes. Sure to reduce your stress level and let you enjoy the day even more.

I've got several Williams-Sonoma Thanksgiving cookbooks, and always refer to my November back issues of Bon Appetit and Gourmet as well each year. After reading the 1st few chapters of this book, I already know where my ideas are coming from this year. This book is terrific - filled with many recipes the likes of which you won't find elsewhere. The author also gives great food and table decorating tips, as well as what not to do on Thanksgiving. She also has many recipes which can be made ahead of time. One on my list for this year is the Sweet Potato Balls - especially good for kids. Mashed sweet potatoes wrapped around a marshmallow, then rolled in crushed corn flakes and baked. If you are like me, and love planning and cooking for Thanksgiving, get a copy of this book. You won't be disappointed.

This book is all you need to get you through the holiday. Not sure how to cook a turkey, make stuffing....no worries, this book cover everything to run an entire dinner party of the big day. From Appetizer to Desert....Can't beat the price either. Get this book and never fear cooking Thanksgiving dinner again.

I bought this book several years ago and find it to be invaluable every year at Thanksgiving. It is a

wonderful reference and offers a vast number of recipe ideas for Thanksgiving. Like most people there are several family recipes that I must serve and they can NOT be changed for Thanksgiving. However, I always like to offer a few new dishes as well and have had several successes with this cookbook. This cookbook is a must for anyone who cooks Thanksgiving dinner or it would make a WONDERFUL gift. I don't know if this book is still in print but if you are able to get a copy it's a great addition to any home cookbook library!

I was so happy to be able to replace this cookbook; I lost mine 5 years ago when our home burned, losing everything including my cookbook collection. The sweet potato balls are excellent and loved by all. There is also a "sharp sauce" that is good on brussels sprouts, and other strong vegetables and I searched for years to find the recipe, to no avail. I am now a very happy camper! I received the book in a very timely manner and it is in excellent shape. I highly recommend this book as it has so many of the "classic" recipes. Thanks!

Always a favorite. Contains every recipe that folks have requested at Thanksgiving/Christmas time.

Garrison covers all of the old standby recipes and adds a multitude of inventive new ones to make your Thanksgiving special. All are well written and easy to follow. I'd recommend it as the perfect gift for any cook!
