Synopsis

In *Everyday Thai Cooking*, Katie Chin "a chef hailed as the 'Asian Rachel Ray' by her many fans" shares her recipe secrets along with tips, tools, and techniques that enable you to easily bring delectable homemade Thai dishes to your table! As the daughter of award-winning restaurateur Leeann Chin, Katie's heritage has been deeply rooted in the cultivation of fine Thai cuisine. Katie has since taken the culinary world by storm as a well-respected food writer, television personality, and now published author. Katie is a success among the cooking community, however, her true reward stems from her success at home. As working mother of toddler twins, Katie realized a need for simple, easy and delicious Thai recipes that call for accessible ingredients and *Everyday Thai Cooking* delivers just that. This Thai cookbook offers basic recipes for staple dishes that include both homemade and store-bought options. From appetizers to desserts, each step-by-step recipe lists preparation times (most within thirty minutes) and alternates for less accessible ingredients. Favorite Thai recipes include: Crunchy Siam Spring Rolls, Tom Yum Goong, Crispy Mango Chicken, Shaking Beef, Fragrant Coconut Fish in Banana Leaves, Mee Krob.

I was fortunate enough to have taken a class with Katie Chin last night where she taught 5 different recipes. Each was from her book and really delicious. Being that I live in the Los Angeles area which is saturated with Thai immigrants and their amazing food, I eat Thai all the time. I really wanted to get a good basis for making better Thai at home which is why I took her class. I had

nearly every ingredient that her recipes called for at home, but there were a few that I was still unfamiliar with. Glad I was able to get clarification on how to use them. Because I was impressed with the quality of the recipes during class, I purchased her book halfway through class. Tonight I tried the mussels recipe which was double new to me since I had never cooked them at home before and I was using lemongrass and kafir lime leaf at home for the first time as well. The husband said I nailed it! I don't eat mussels myself, but I did get a nice bowl of rice and poured the delicious broth over it for a tasty meal. The recipe was incredible easy to prepare even for the novice cook. The other great recipes that I made in her class which are in the book were Pad Thai, Chili Tamarind Veggies, Green Curry Prawns, Paneng Curry Meatballs and Tom Kha Gai Soup. Each recipe was truly delicious and fairly simple to pull together. The only difficult part is probably sourcing your ingredients if you don't have local access to Asian foods. That can be easily resolved by mail order and Katie also gives you suitable substitution tips as well. Don't be intimidated by any of the recipes or ingredients in this book. It's really rather easy to make any dish. Glad I bought the book and now I am about to order another one to send to my sister as a gift.
