Publisher: Warner Books; First Printing edition (October 1994)

Language: English

ISBN-10: 044651666X

ISBN-13: 978-0446516662

Product Dimensions: 10.3 x 9.9 x 0.9 inches

Shipping Weight: 2.6 pounds

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (27 customer reviews)

Best Sellers Rank: #632,337 in Books (See Top 100 in Books) #136 in [Books > Cookbooks, Food & Wine > Cooking by Ingredient > Chocolate](#) #150 in [Books > Cookbooks, Food & Wine > Desserts > Confectionary](#) #565 in [Books > Cookbooks, Food & Wine > Special Diet > Low Fat](#)

Customer Reviews

For a person like me who loves fabulous, rich desserts but yet is trying to fight the battle of the bulge, *Chocolate and the Art of Low-Fat Desserts*, by Alice Medrich, is truly a godsend. When I was in college at Berkeley and weighing-in at a scant 118 pounds, Alice Medrich's Cocolat bakery on Shattuck Ave. was a frequent indulgence. I adored her sinfully delicious capuccino truffles and could down several in a sitting. After graduating from college and moving to San Diego, away from the land of Cocolat, I was ecstatic when Alice published her first book, Cocolat, as I found I could easily replicate her delicious and stunning creations at home on a weekend afternoon. Unfortunately, time, age and a sedentary lifestyle no longer permitted me to indulge in the heavy cream and chocolate-laden desserts. Cocolat was permanently shelved and titles bearing the words "spa cuisine" became ever-frequent additions to my cookbook library. I tried and tried to find satisfaction in fruit sorbets and poached pears but failed miserably. There was just no substitution for the desserts I loved. Two years ago, I was combing the cookbook shelves of my local bookstore and was both shocked and delighted to find that Alice Medrich had written a low-fat chocolate cookbook. Although I had high hopes that this could be the answer to my prayers, I could not bring myself to believe that her prized desserts could possibly be transformed into low-fat versions. I rushed home

and cooked-up a batch of "Michael's Brownies" (a recipe Alice came up with as a birthday cake for a hospitalized child whose liver ailment prevented him from eating fat) and shared them with my husband, a devoted chocoholic and low-fat skeptic.
