Shipping Weight: 2.4 pounds (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (25 customer reviews)

Best Sellers Rank: #66,514 in Books (See Top 100 in Books) #80 in [Books > Crafts, Hobbies & Home > Crafts & Hobbies > Needlecrafts & Textile Crafts > Quilts & Quilting](#) #276 in [Books > Crafts, Hobbies & Home > Gardening & Landscape Design](#)

Customer Reviews

I ordered one and had one sent to a friend, who does not know much about gardening. I love this book, and mine got lost while I was packing and moving. It is a terrific book, and I found it cheaper on

.com, than in gardening speciality stores.

I bought this book for my mom for Mother's Day. We teased her about just using the internet but she said she preferred using her old books. Well now she has a new one and I need to "borrow" it.

Like I have stated before...I love gardening. I just needed a source of information that would help me do what I love but do it better. These books come with complete information that a novice would want and the beautiful pictures not only help you understand but they truly are beautiful to look at.

This book is a basic intro to gardening. It covers just a few plants, of each type. If you want to grow orchids, or roses, you need to buy a special book. The title describes it perfectly: "simplified".

I love this book! It's clear, concise and has beautiful illustrations perfect for an amateur gardener like myself. *Better Homes and Gardens Gardening Made Simple: The Complete Step-by-Step Guide to Gardening* (Better Homes & Gardens)

Love the pictures. Appreciate the way it's written. Helps you feel good about where you're at as a gardener and also contains plenty of great instruction for furthering your skill level.

Easy to read, great pictures, good for all levels of gardening. Would recommend it to anyone whether you have a green thumb or not!

this was a very interesting book, I am not a gardener, but with this book I am hoping to learn. thank you for sending my book quickly and the book was in very good condition.,
