Food52 Baking: 60 Sensational Treats You Can Pull Off In A Snap (Food52 Works)

Synopsis

A stunning collection of hassle-free recipes for baking cakes, cookies, tarts, puddings, muffins, bread, and more, from the editors behind the leading food website Food52. Whether it's the chocolate cake at every childhood birthday, blondies waiting for you after school, or hot dinner rolls smeared with butter at Thanksgiving dinner, homemade baked goods hold a place in many of our best memories. And that's why baking shouldn't be reserved for special occasions. With this book, curated by the editors of Food52, you can have homemade treats far superior to the store-bought variety, even when it feels like you're too busy to turn on the oven. From Brown Butter Cupcake Brownies to "Cuppa Cuppa Sticka" Peach and Blueberry Cobbler, these sixty reliable, easy-to-execute recipes won't have you hunting down special equipment and hard-to-find ingredients or leave you with a kitchen covered in flour and a sink piled high with bowls. They're not ordinary or ho-hum, either: ingredients you've baked with before (and some you haven't - like black sesame, coconut oil, and lavender) come together to create new favorites like Baked Cardamom French Toast and Olive Oil and Sesame Crackers. Filled with generations' worth of kitchen wisdom, beautiful photography, and tips you'll return to, Baking is the new go-to collection for anyone who wants to whip up something sweet every day.

ISBN-13: 978-1607748014

Product Dimensions: 7.5 x 0.9 x 9.3 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (59 customer reviews)

Best Sellers Rank: #84,568 in Books (See Top 100 in Books) #57 in [Books > Cookbooks, Food & Wine > Baking > Cakes](#) #85 in [Books > Cookbooks, Food & Wine > Baking > Bread](#) #226 in [Books > Cookbooks, Food & Wine > Desserts](#)

Customer Reviews

If you are short on baking books in your cookbook collection, you will probably appreciate this group. But these recipes are more of a "blast from the past", than new and exciting baking recipes.

Granted, I find a lot of old recipes to be wonderful, and when I find a new and worthy "old" recipe I treat it like a gift of gold. But most of these recipes have been around the block more than once. And if you already have a large collection, you probably have seen most of these (I mean, really, there are only 60 recipes here....). But to give this book credit, there are a few real "keepers" in this volume and some of them are available to be seen by checking out the "Look Inside" feature on this product page. The "Look Inside" feature can give you a lot of insight into whether this is a book that will delight or disappoint. Definitely check out the Contents page and the Index to see a listing of all the recipes. So, to say it again: If you are an avid cookbook reader or collector, these all may appear as variations on what you've seen before: You'll have seen these recipes (or very similar ones) on the Food52 website, or maybe in some other author's book, (like a molasses yogurt bread that comes from one of Mark Bittman's books), or maybe from your own recipe collection files from the 60s or 70s. And, really? What is the value of including a flour-less PB&J cookie in this book when there are pages of recipes for them on the internet? If there are going to be only 60 recipes in the group, at least make them recipes that we can find online for free. Great tips included throughout the book are indexed at the beginning on a page called "Baking Basics". If you are an inexperienced baker, you might not have seen this info before.

I love Food52, and if you've never heard of them, I highly recommend after reading my review, you Google them and subscribe to their newsletters. They are fabulous! Their recipes? Genius! This book is filled with recipes that I'm sure I will use over and over again. Updates on classic recipes, new takes on modern favorites and so much more! The book is divided into 7 main categories – each more delicious and flavorful than the last. Let me break it down and give some recipe examples so you'll know just how scrumptious this book is! Breakfast Goods – "Featherweight Blueberry Scones" (page 2), "Baked Cardamom French Toast with Syrupy Meyer Lemons" (page 5), "Bestest Banana Bread" (page 15 and perhaps my FAVORITE banana bread recipe ever!) and "Overnight Orange Refrigerator Rolls" (page 19). Cookies & Bars – "Cream Cheese Cookies" (page 25), "Cardamom Cinnamon Snickerdoodles" (page 29), "Brown Sugar Shortbread" (page 37), "Balsamic Macarons with Chocolate Chips" (page 38) and "Magic Espresso Brownies" (page 46). Fruit Desserts – "Nectarine Slump" (page 52), "Almond Butter and Oatmeal Crisp" (page 56), "Summer Fruit Galette" (page 61), Peach Tart" (page 64) and "Peach and Blueberry Cobbler" (page 67 and SO good!). Custardy Cakes & Puddings – "Raspberry Clafoutis" •

(page 72), â œLemon Sponge Cupsâ • (page 79), â œ Sour Cream Cheesecake with Chocolate Cookie Crustâ • (page 80) and â œCoconut Tres Leches Cakeâ • (page 83). Everyday Cakes â “â œEasy-As-Pie Apple Cakeâ • (cake 88), â œCold-Oven Pound Cakeâ • (page 91), â œSpiced Parsnip Cakeâ • (page 95) and â œTomato Soup Spice Cake with Cream Cheese Frostingâ • (page 99).
