Customer Reviews

I looked forward to the publication of this book for months, but when it finally arrived I was terribly disappointed. The first FBC cookbook was full of wonderful recipes (served in the cafe), including bakery items: cookies, pies, etc. This book has many fewer recipes, and those included are not "standard biscuit fare." There are no recipes for their famous bakery items. I have been satisfied, but not wow-ed by the recipes that I have used from the cookbook. If you can find a copy of the first cookbook, buy it instead.

I was elated to find this book when searching for a recipe from this cafe. When visiting Atlanta we found this place for breakfast, waited 40 minutes & it did not disappoint! The Flying Biscuit's grits are exquisite. There are other recipes in this book I can't wait to try. Glad to find this book. Received it quickly and in good condition. Thank you!

I have been wanting this book for awhile now and this was by far a really god deal on the book!
Super fast delivery and came as described!

I love biscuits, I cant make them very good but I try. I added this to my cook books. Yes this is a good cook book. I would buy it again.
