250 Treasured Country Desserts: Mouthwatering, Time-honored, Tried & True, Soul-satisfying, Handed-down Sweet Comforts

Synopsis

Nothing beats chocolate chip cookies still warm from the oven, freshly baked shortcake, or a perfect apple pie cooling on the windowsill. 250 Treasured Country Desserts is packed with tried-and-true recipes for the homey treats you've loved all your life, with practical tips on how to make gingery ginger snaps, clean-cut brownies, dreamily frosted layer cakes, and much more. You'll turn to this reliable guide again and again for sweet, satisfying dessert classics.

Customer Reviews

Authors Andrea Chesman & Fran Raboff have put together one of the nicest and most extensive collections of treasured, long-time favorite recipes I've come across in some while in 250 Treasured Country Desserts: Mouthwatering, Time-honored, Tried & True, Soul-satisfying, Handed-down Sweet Comforts. Divided into eight chapters featuring Cookies, Brownies & Bars, Fancy Cakes, Everyday Cakes, Muffins & Scones, Pie & Tarts, Fruit & Nut Desserts, Puddings & Custards, and Ice Cream & Frozen Desserts, you'll find good versions of just about everything you can think of from Angel Cake to Walnut Pie, with plenty of stops along the way for Linzer Cookies, Baklava and Forbidden Rice Pudding. I was delighted to come across recipes for Butterscotch Sauce (fantastic on ice cream, delightful on gingerbread!), Maple Frozen Yogurt, Shoofly Pie, Lindy's New York Cheesecake and many, many more. While this is a book of recipes rather than a how-to-bake book, you'll find something for every skill level along with a wealth of tips and advice. One feature I particularly liked is a special "Every Day is A Holiday" calendar listing many of the "National" days. Today is National Nut Day. Tomorrow is National Boston Cream Pie Day (recipe

included.)The book is nicely laid out and easy to read. The authors are careful to provide clear directions and often include interesting comments, bits of food history or information about how much Hot Fudge Sauce to allow per person. The Kindle format makes this easy to take into the kitchen on your iPad or Kindle. Simply slip your device into a gallon-sized ziplock bag and close it up. You'll still be able to read clearly and manipulate the screen through the bag while your device stays safe and clean.The book does feature an interactive Table of Contents accessible from the main menu, but it lists only the chapters. Luckily, there is a formal Index at the back, also listed in the Table of Contents, that lists every recipe, each of which is hyperlinked. (I did deduct one star for lack of a complete listing of all recipes at the beginning of the book.) There are a few simple line drawings but no photographs.Grandma's \$0.02 -Â 250 Treasured Country Desserts: Mouthwatering, Time-honored, Tried & True, Soul-satisfying, Handed-down Sweet ComfortsÂ contains a wide selection of good recipes for well known, classic sweets & desserts you'll love. Recommended

There are some books you simply need to have around for the tried-and-true recipes, and this is one of them. It's our go-to book whenever we want to make a cake, or are looking for a frosting recipe, or need to make some brownies that are a bit beyond the norm.

Nothing tops off a meal like a good desert. That's why "250 Treasured Country Desserts: Mouthwatering, Time-Honored, Tries & True, Soul-Satisfying, Handed-Down Sweet Comforts" is such a desired and desirable addition to any family cookbook shelf. The collaborative project of noted cookbook author Andrea Chesman and culinary arts instructor Fran Raboff (herself the co-author of several successful cookbooks), "250 Treasured Country Desserts" truly lives up to its extended title with such culinary delights as Rich Chocolate Crinkles; Black Walnut Cake; Coconut Cream Pie; Charlotte Russe with Strawberry Sauce; Lime Sorbet; and 245 more 'kitchen cook friendly' traditional desserts. Enhanced with listings on metric conversions, egg information, volume and weight equivalents, "250 Treasured Country Desserts" will prove a welcome and popular addition to any personal, family, or community library cookbook collection!

A nice little common sense book, nicely written with some recipes I was not aware of, and I have over 4,000 cookbooks, so I speak with lots of experience! I have baked seven of the recipes so far and every one has beenvery good. The only reason I gave this one only 4 stars is I personally like a lot of pictures. However, this should inno way deter you from buying it
