ISBN-13: 978-1494384944

Product Dimensions: 6 x 0.2 x 9 inches

Shipping Weight: 5.3 ounces (View shipping rates and policies)

Average Customer Review: 3.1 out of 5 stars [See all reviews](#) (11 customer reviews)

Best Sellers Rank: #559,604 in Books (See Top 100 in Books) #95 in [Books > Cookbooks, Food & Wine > Kitchen Appliances > Blenders](#) #297 in [Books > Cookbooks, Food & Wine > Main Courses & Side Dishes > Soups & Stews](#)

Customer Reviews

This was advertised next to the soup maker I purchased and ordered it at the same time.

Unfortunately the recipes do not correspond with the type of soupmaker I bought. I probably could have returned it but that involves more hassle than it was worth to keep it. So disappointed in my purchase - probably should have researched the book more thoroughly but since it was "connected" to the advert for the soupmaker, thought it would contain the correct recipes for the machine. So "buyer beware".

Convenient introduction for soupmaker cooking novices. But don't forget to use your imagination too, fine tuning your own recipe based on those in the book.

This book was written for the metric scale not for US measurements.

It is not worth the money. I didn't like any recipe. Only a couple pages of irrelevant recipes.

Too vegetarian for my needs. Need an English version compatible with an English soup maker.

The only complaint I have with this recipe book is that the measured soup ingredients are given in metric measurements. Sorry, but at my age I am not learning the metric system.
